

LOOKING FOR MEMBERS FOR OUR 2018 SEASON!

Thank you for being a supporter of the Maple Shade Arts Council. As we embark on our 2018 season, we hope you will join us as a member for what will be a great year!

Members of the Maple Shade Arts Council are highly important in the success of our programs. For \$45, you will receive your membership for the Arts Council and two tickets to our summer musical, valued at over \$30, or two tickets for our Children's Summer Theatre production. You will also have voting privileges in our General Membership meetings, in which we plan for our future programs. If signing up for additional family member, save \$5 per membership for a total discounted rate of \$80. It is highly recommended that those on production teams and programming teams become members. Membership can be mailed to the address below or paid online at www.msartscouncil.org/get-involved by *March 15, 2018*.

Now in our 5th year, we are looking forward to our continued growth as a non-profit organization. Your membership will help us in our efforts to be recognized throughout the county and state as an established non-profit, which will benefit our efforts of obtaining grants. But most importantly, your membership will help us on our journey to bring educational, inspirational, and entertaining programming to Maple Shade and the South Jersey region.

Please fill out below if mailing payment.
